

WEDDING GUIDE

WELCOME TO A WORLD OF REFINED ELEGANCE AND SUMPTUOUS SURROUNDINGS

If you appreciate the finer things in life, a wedding at Lincoln Estates will not disappoint. Our properties comprise of some of the most prestigious fine dining restaurants and award-winning event spaces in and around the GTA.

When we forayed into the world of fine dining back in 1977 with the opening of Buccaneer Seafood & Steakhouse, little could we have imagined where this incredible journey would take us. Our Estate properties over the years included prestigious GTA classics The Old Barbour House, Gatsby's, Terrace on the Green and Edgewater Manor. From luxurious lakeside mansions to countryside estates, extensive grounds featuring waterfalls and gazebos, to castle like vineyards; whatever the size of your wedding, we have you covered.

With an emphasis on opulent décor curated from across the world, creative culinary concoctions, high quality ingredients, outstanding customer service and breathtaking backdrops; we provide an experience as opposed to just an event. Our Domakin properties offer gourmet steaks and fresh seafood with an extensive selection of fine wines which have been hand-picked by our in-house sommelier.

Our promise is to deliver a fully customizable, lavish event as unique as you, as we celebrate the start of your new life together. When you book a wedding at one of our properties, we are embarking on a relationship for life, ready to help celebrate every future milestone and anniversary.

AWARD WINNING CUISINE

Fine Dining

With our award-winning fine dining restaurants Edgewater Manor and Terrace on the Green under our belt, our talented culinary team has created a unique menu for our Lincoln Estates events featuring locally sourced ingredients and a creative twist on classic dishes.

Nestled amongst our 10 acres of vineyards, our guests have the option of complimenting their meal with one of our very own Core wines or they can choose from our extensive wine selection that has been hand-picked from around the world for its unique attributes by our in-house sommelier.
